4.1.6. Which statement best defines the auteur directorial approach?

Author: Jonathan Long

Which statement best defines the auteur directorial approach?

Please choose only one answer:

- The director tries to transfer the script as literally as possible from page to stage
- The director uses the script as raw material to be reshaped for his or her own purposes
- The director articulates a defined focus for the production
- The director attempts to capture the spirit of the play, often by using means or expressions the script does not directly call for.
