4. Chapter: Neuroanatomy

1. Neuroanatomy Questions

4.1.1. the peripheral consists of what?

Author: George Turner

the peripheral consists of what?

Please choose only one answer:

- the rest of the nervous system
- gathers and sends information to and from the rest of the body
- both a and b
- none of the above

Check the answer of this question online at QuizOver.com:

Question: [the peripheral consists of what George Turner psy1 Quest](#)

Flashcards:

<http://www.quizover.com/flashcards/question-the-peripheral-consists-of-what-george-turner-psy1-quest?pdf=1505>

Interactive Question:

<http://www.quizover.com/question/question-the-peripheral-consists-of-what-george-turner-psy1-quest?pdf=1505>

4.1.2. the central nervous system consists of

Author: George Turner

the central nervous system consists of

Please choose only one answer:

- the brain
- the spinal cord.
- both a and b.
- none of the above

Check the answer of this question online at QuizOver.com:

Question: [the central nervous system consists George Turner psy1 Quest](#)

Flashcards:

<http://www.quizover.com/flashcards/question-the-central-nervous-system-consists-george-turner-psy1-quest?pdf=1505>

Interactive Question:

4.1.3. what are the two different pathway networks

Author: George Turner

what are the two different pathway networks

Please choose only one answer:

- serotonin
- dopamine
- both a and b
- none of the above

Check the answer of this question online at QuizOver.com:

Question: [what are the two different pathway networks George Turner psy1 Quest](#)

Flashcards:

<http://www.quizover.com/flashcards/question-what-are-the-two-different-pathway-networks-george-turner-psy?pdf=1505>

Interactive Question:

<http://www.quizover.com/question/question-what-are-the-two-different-pathway-networks-george-turner-psy?pdf=1505>

4.1.4. what are the different neuro transmitters

Author: George Turner

what are the different neuro transmitters

Please choose only one answer:

- gaba, glutamate, acetylcholine, dopamine, and serotonin
- none of the above

Check the answer of this question online at QuizOver.com:

Question: [what are the different neuro transmitters George Turner psy1 Quest](#)

Flashcards:

<http://www.quizover.com/flashcards/question-what-are-the-different-neuro-transmitters-george-turner-psy1?pdf=1505>

Interactive Question:

4.1.5. what is reuptake?

Author: George Turner

what is reuptake?

Please choose only one answer:

- after the transmitters stimulate the receptors on receiving neurons. the chemicals are returned to be used again.
- none of the above

Check the answer of this question online at QuizOver.com:

Question: [what is reuptake George Turner psy1 Quest](#)

Flashcards:

<http://www.quizover.com/flashcards/question-what-is-reuptake-george-turner-psy1-quest?pdf=1505>

Interactive Question:

<http://www.quizover.com/question/question-what-is-reuptake-george-turner-psy1-quest?pdf=1505>

4.1.6. what are nuerotransitters

Author: George Turner

what are nuerotransitters

Please choose only one answer:

- chemicals that send messages across the synaptic gap
- none of the above

Check the answer of this question online at QuizOver.com:

Question: [what are nuerotransitters George Turner psy1 Quest](#)

Flashcards:

<http://www.quizover.com/flashcards/question-what-are-nuerotransitters-george-turner-psy1-quest?pdf=1505>

Interactive Question:

4.1.7. what is the synapse synaptic gap junction

Author: George Turner

what is the synapse synaptic gap junction

Please choose only one answer:

- the tip of the sending neuron and the dendrite receiving the signal
- none of the above

Check the answer of this question online at QuizOver.com:

Question: [what is the synapse synaptic gap junct George Turner psy1 Quest](#)

Flashcards:

<http://www.quizover.com/flashcards/question-what-is-the-synapse-synaptic-gap-junct-george-turner-psy1-que?pdf=1505>

Interactive Question:

4.1.8. how does the endocrine send molecule messages.

Author: George Turner

how does the endocrine send molecule messages.

Please choose only one answer:

- through molecules called hormones.
- none of the above

Check the answer of this question online at QuizOver.com:

Question: [how does the endocrine send molecule messages. George Turner psy1](#)

Flashcards:

<http://www.quizover.com/flashcards/question-how-does-the-endocrine-send-molecule-messages-george-turner-p?pdf=1505>

Interactive Question:

<http://www.quizover.com/question/question-how-does-the-endocrine-send-molecule-messages-george-turner-p?pdf=1505>

4.1.9. the endocrine refers to what

Author: George Turner

the endocrine refers to what

Please choose only one answer:

- a set of glands that produce hormones
- none of the above

Check the answer of this question online at QuizOver.com:
Question: [the endocrine refers to what George Turner psy1 Quest](#)

Flashcards:

<http://www.quizover.com/flashcards/question-the-endocrine-refers-to-what-george-turner-psy1-quest?pdf=1505>

4.1.16. what are the functions of the cerebral cortex lobes

Author: George Turner

what are the functions of the cerebral cortex lobes

Please choose only one answer:

- frontal lobe: speaking, making plans, active in executive functions
- parietal: includes the sensory cortex.
- occipital: optical
- temporal: auditory processing
- all of the above

Check the answer of this question online at QuizOver.com:

Question: [what are the functions of the cerebral cortex George Turner psy1](#)

4.1.20. what is the amygdala function

Author: George Turner

what is the amygdala function

Please choose only one answer:

- part of the limbic system
- consists of 2 lima sized cluster
- helps process emotions (fear/aggression)
- helps process emotions
- all of the above

Check the answer of this question online at QuizOver.com:

Question: [what is the amygdala funct George Turner psy1 Quest](#)

Flashcards:

<http://www.quizover.com/flashcards/question-what-is-the-amygdala-funct-george-turner-psy1-quest?pdf=1505>
